Major and Complex Loss- London Market Service Team

Sedgwick Australia

Offering end-to-end capability, from first notification through to settlement, Sedgwick Australia brings a diverse range of service offerings to our international clients.

With 700 employees and main offices in Sydney, Brisbane, Melbourne, Canberra, Adelaide, Hobart, and Perth, along with staff in an additional 30+ regional locations around Australia, Sedgwick has a truly national presence, supporting our clients where and when they need us.

Tailored for the London Market – a model that works.

Sedgwick Australia has a long-standing working relationship with the London Market, to which we remain committed long term.

Why choose us:

- Experienced team with direct London Market backgrounds
- Regulatory Compliance across UK and Australian jurisdictions
- Trusted by global Insurers and Brokers for international claims coordination.
- Independent, transparent and client focused approach

Major and complex loss

Sedgwick Australia prides itself on our offerings in the major and complex property loss space, including the management of catastrophic (CAT) events. We have a large team of experienced Chartered Executive Loss Adjusters and industry-recognised experts, who specialise in:

- Commercial property
- Construction and engineering
- Mining and power
- Business interruption

Colin McEnery
Client Director,
Professional Services Division
+61 420 962 545
colin.mcenery@sedgwick.com

Colin McEnery will be your principal point of contact in Australia. He is in constant liaison with the London Market and will ensure that all instructions are appropriately allocated and overseen.

Colin has over 30 years of insurance industry experience, split between roles with Brokers, Insurers and loss adjusting, and is a Chartered Loss Adjuster. Colin's role includes the management of major corporate and international accounts.

Chris Watts
Executive Adjuster
+61 488 723 675
chris.watts@sedgwick.com

Chris Watts worked as a Loss Adjuster in the UK for 25 years, before transferring to Sedgwick Australia. He has extensive experience of London Market processes and standards.

With longstanding and continuing relationships in the UK, Chris is well placed to understand and respond to the expectations of UK-based stakeholders. This, combined with the knowledge and relationships that he has developed within Australia, makes Chris the ideal point of liaison for Australian claims arising from UK placed risks.

Key adjusters

Below is a list of the core Major and Complex Executive Loss Adjusters, who are backed by almost 700 internal Adjusters, Building Consultants, Forensic Accountants and Support Staff. Combined, these resources should give you confidence that you are in the right hands.
